---

① **Put Out The Welcome** _____ (noun). Enhance your backyard by _____ (verb ending in ing) with native plants and providing feeders, _____ (adjective) food sources, water, shelter and nesting _____ (plural noun).

② **Prepare A** _____ (adjective) **Menu.** _____ (verb) feeders regularly with foods suited to the birds in your _____ (noun) and to the season.

③ **Keep It Clean.** Clean _____ (plural noun), baths and feeding areas _____ (adverb ending in ly).

④ **Keep It Safe.** Avoid using _____ (plural noun), herbicides or other _____ (adjective) chemicals where birds feed, _____ (verb) or rest.

⑤ **Remove** _____ (plural noun). Reduce window collisions. Keep feeders at least _____ (number) feet from windows and add _____ (plural noun) to windows where collisions could occur.

Our Answers: 1. Put Out The Welcome Mat. Enhance your backyard by landscaping with native plants and providing feeders, natural food sources, water, shelter and nesting sites. 2. Prepare A Proper Menu. Refill feeders regularly with foods suited to the birds in your area and to the season. 3. Keep It Clean. Clean feeders, baths and feeding areas regularly. 4. Keep It Safe. Avoid using pesticides, herbicides or other dangerous chemicals where birds feed, bathe or rest. 5. Remove Obstacles. Reduce window collisions. Keep feeders at least three feet from windows and add decorations to windows where collisions could occur.
